About

The outdoor Wicked collection by Brussels-based designer Alain Gilles focusses on a modern and graphic interpretation of the classic rattan chair. By combining the warm, handwoven rattan with the aluminum frame, Alain Gilles evokes a discussion between craftsmanship on the one hand, and a daring, industrial aesthetic on the other hand.

Materials & care

- **Dining chair, lounge chair and lounge sofa:** polyethylene wicker and a powder coated aluminium frame. Each piece is handwoven by skilled craftsmen in Indonesia.
- Clean with a damp cloth and non-foaming mild detergent every three months. A soft nylon brush or a low pressure air hose can also be used to clean between the weaving.
- **Tables:** untreated teak table top and a powder coated aluminium frame.
- Left outdoors, the colour of untreated teak will change to an attractive silver grey, aided only by an occasional wash with warm soapy water in order to discourage moss.

Colours

The Wicked collection is available in the colour combinations Black/Natural and Black/Taupe. The dining table only comes in Charcoal.

Fabrics

- Cushions are filled with Quick Dry foam for optimal moisture and air regulation.
- All available cushion fabrics are shown below. The recommended fabric for the Wicked lounge chair and sofa in Black/Natural is Forest Green (D0101). For the colour combination Black/Taupe we recommend the fabrics Savane Coconut (S2222) & Lopi Coconut (S2323).
- Throw pillows are available as well.
