CRAZY ABOUT CERAMICS AND NEW OUTDOOR DESIGNS

KODO COLLECTION

Inspired by the versatile possibilities of mingling different materials into unique designs, studio segers created the Kodo collection. Natural ceramic, industrial aluminium and tactile acrylic rope play the lead roles throughout the collection. These materials are weather-resistant and add a contemporary feeling to the furniture while the soft curves and rounded backs exude a warm and inviting ambience. Find a quiet place and disconnect in the comfortable furniture. Touch, feel, and experience the delicate weave and snug cushions, while enjoying a drink indoors or outdoors. The extensive Kodo collection consists of a lounge chair, lounge sofa, cocoon, footrest, side table, coffee table, dining chair and dining table.

LIGHT MY TABLE

Dinner parties lacking je ne sais quoi would do well to involve the lighting garland Light My Table. The feelgood enhancer is fit for both indoor and outdoor use, and allows you to add a welcoming and warm touch to your dining area all year round. The little roof of light literally brings people closer together and creates a cosy atmosphere in the blink of an eye. Because of its simple design, the lighting garland easily blends into any style and reminds you of old-fashioned luminous garlands experienced in a shopping street or during garden parties. The festive string of lights is designed by Studiomie and comes in a self-assembly kit. The assembly process is simple and Light My Table can easily be clamped onto your table. A piece of leather between the clip and tabletop prevents damage when tightening.

ROCCO LAZY CHAIR

Meet Rocco, a light armchair which is the latest member of the extensive collection of outdoor rattan chairs. The flexibility and strength of the wicker allows a sophisticated work of graphic lines and curves. Like a spiderweb, the wicker stalks spread out to form a large comfortable cocoon. Its playful handles invite you to move the chair wherever you like to follow the sun effortlessly. Available in the colours Camel and Black.

VINCENT SHEPPARD

Vincent Sheppard has been designing and manufacturing indoor and outdoor furniture with exceptional seating comfort since 1992. The company is worldwide market leader in Lloyd Loom furniture, a technique where Kraft paper is twisted around a metal wire and woven into unique furniture pieces. Today, Vincent Sheppard furniture is exported to more than 40 countries. The headquarters of Vincent Sheppard are in Belgium, while their main production plant is located in Indonesia, a country known for its rich tradition in weaving.

By constantly challenging itself and its design aesthetics, the brand is able to present young, contemporary furniture collections that answer to all modern needs. They combine a clear focus on quality and comfort with craftsmanship and an age-old technique, and translate these ingredients into qualitative, durable and appealing designs. With a wide variety of indoor as well as outdoor pieces of high quality, the brand is a favourite of many interior aficionados.
